A MESSAGE From our President...

Something new this month. We are giving away one free music cd of a classic organ concert to a member that brings a new guest to this month's meeting. A guest is any family member or friend that has never been a member of COTOS. The guest does not have to become a new member to receive the music cd but we'll try to get them to join.

At this time no new information on our Z-Tronics system. If I find out any new information from Allen Miller I'll forward it on to you at this month's meeting. Any one that is wanting to play the organ before we install the system please call myself or Neil Grover and we'll let you in, but please bring someone to help with the console.
